

DIRECTIONS

Drive north up M6 until Junction 20 (which should lead you on to the M56, going in the direction of Manchester Airport).

Take Junction 6 (the A538, sign posted for Altrincham and Wilmslow). This will bring you to a roundabout, turn right (3rd exit), to head into Wilmslow. Stay in left-hand lane (when the road splits to the left remain in central lane) up to traffic lights. Travel through both sets of traffic lights (the 2 lanes become 1) and follow the road. You will travel through 2 tunnels (airport runway overhead), and come to a roundabout. Go straight over the roundabout and follow the road into Wilmslow.

As you enter Wilmslow you will see a Texaco garage on your right. Keep following the road until you hit the shopping area. On the right-hand side will be another car showroom (Stratstone, Aston Martin) and just past this, on the left-hand side, will be a signpost for a public car park (you can park in there). Springfield House is situated on the left-hand side, further along from the car park, on the corner, next door to the dry cleaners and before McDonalds.
